Birmingham, AL, September 7, 2021 — In the hit Netflix docuseries *Last Chance U*, athletic academic counselor Brittany Wagner helped student-athletes move beyond personal failure to find success and prepare themselves for life beyond the gridiron. We all face disappointments and setbacks, but with each and every sunrise we are offered the option to change our fortunes. No one wakes up wanting to be a failure and no one is operating truly on their last chance. Next chances await those willing to put in the time and effort to rewrite their own stories and to reap the rewards of life. The ability to reframe each day as an opportunity to start fresh is key.

In her new book, *Next Chance You*, Wagner offers a roadmap to move forward from where readers currently are in life. INSERT QUOTE FROM BRITTANY
